CONSTANTINOPLE, Turkey, Aug. 28.-American Minister Leishmann today presented the demands of the United States in consequence of the assassination of Vice Consul Magelssen at Beirut last Sunday. The demands are couched in most forceful terms which allow of no evasion by the Turkish Government. The Turkish officials assured Minister Leishmann that full reparation would be made.

The situation throughout Turkey is daily growing more critical. An investigation is going on of the affair at Uskub.

The Turkish population has been stirred to the highest pitch of fanatical excitement owing to the hostile action of the Powers. A massacre of every European in Turkey is predicted as likely at any time. The officials of the Government seem incapable to quel the growing spirit of war against the Christians of all countries.
